

TERHI

ABS BOATS

2022

TERHI - THE BOAT OF YOUR LIFE.

Terhi is a safe choice
and it maintains its
value much longer than
other similar boats.

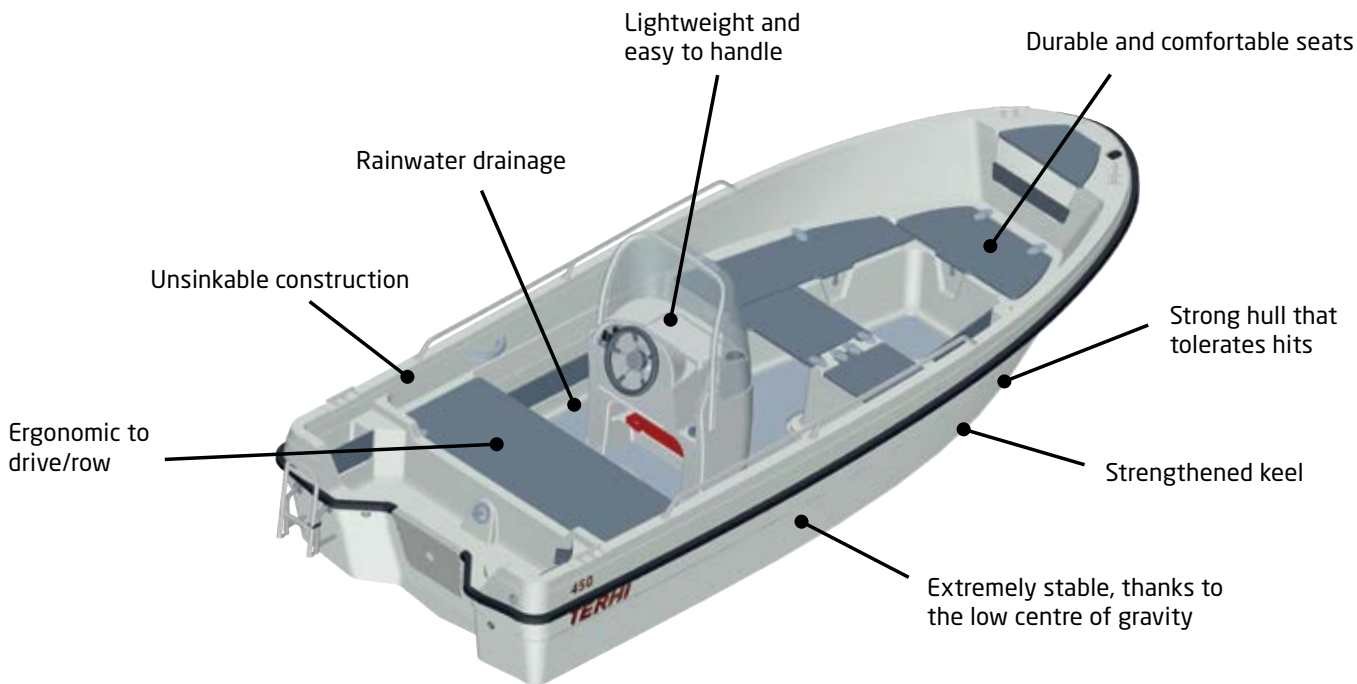

THE BIGGEST BOAT MANUFACTURER IN SCANDINAVIA

Terhi boats are designed and manufactured in the small fishing village of Rymättylä in southwestern Finland. Thanks to the unique manufacturing method and innovative product development, Terhi has established itself as a popular and reliable, internationally recognized boat brand.

The broad Terhi model range includes the most popular and beloved rowing boats and motorboats, altogether 25 models. Terhi-boats have been manufactured since 1972 and nearly 230.000 units. Terhi offers a wide range

of spare parts and accessories, enabling customizing boats for your needs. Terhi is a safe choice, not only due to its method of manufacture, but also because of the durability and the fact that Terhi-boats maintain their value much longer than other similar boats. We strive to continuously develop boats that are both durable, appreciated and aesthetically pleasing to the eye, boats that offer their users unforgettable experiences regardless of where in the world they are used, at sheltered lakes or open sea.

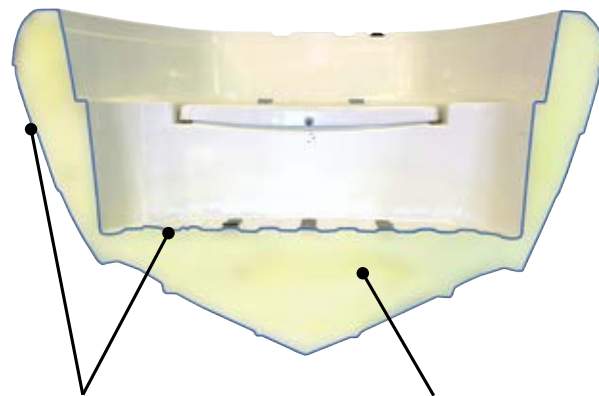

The unique sandwich construction

All Terhi boats are made out of two separate ABS-plastic shells, which are vacuum formed under immensely high temperature. The space in-between the two shells is then filled with a non-absorbent polyurethane foam. This sandwich-like construction makes Terhi boats not only unsinkable, but also very long-lived and remarkably safe to use. The ABS-plastic is extremely impact- and weatherproof, and

thus perfect for boats. The high finish and our attention to details sets us apart from many other row and motor boat manufacturers.

Inner and outer surfaces of these light-weighted and easily portable boats are smooth and seamless which makes them also easy to maintain clean. In addition to the boat's beautiful and neat appearance, Terhi stands out also with its wide range of accessories.

Two vacuum formed shells from strong and smooth, shock and weather proof ABS-plastic

Hull filled with non-absorbent polyurethane foam. This makes the boats unsinkable.

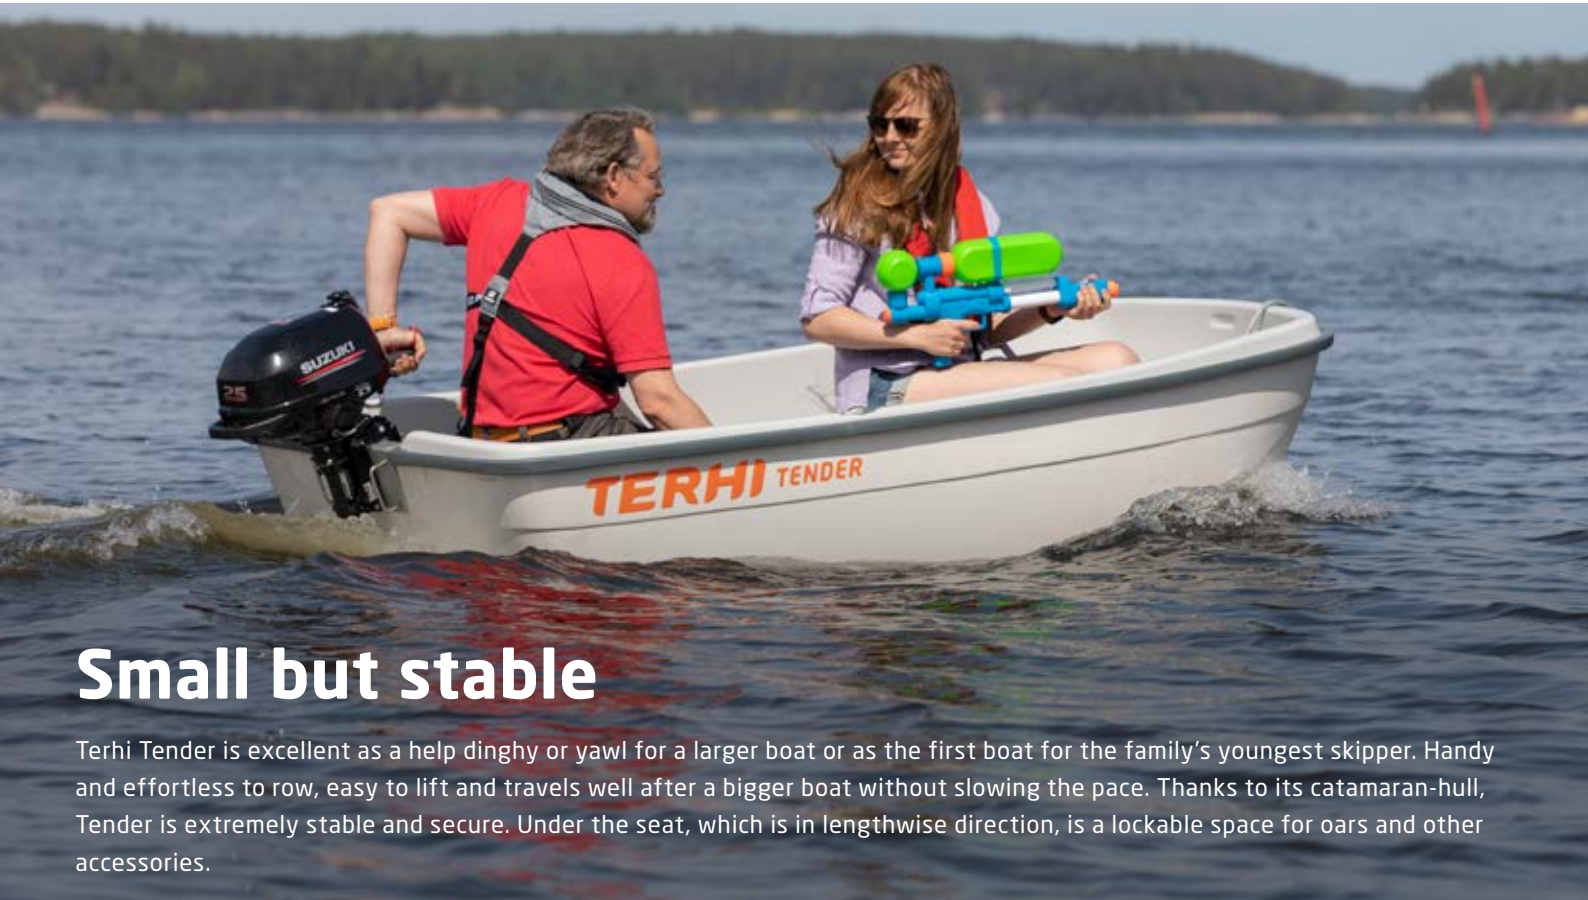

**PROUDLY
MADE  IN
FINLAND**

All Terhi-boats are designed and manufactured in Finland, which we are very proud of. All the boats are the finest Finnish quality.

TERHI TENDER

Length: 235 cm | Width: 130 cm | Weight: 55 kg | Recommended engine power: 2 hp | Max: 3 hp | Passengers: 2 | CE design category: D

Small but stable

Terhi Tender is excellent as a help dinghy or yawl for a larger boat or as the first boat for the family's youngest skipper. Handy and effortless to row, easy to lift and travels well after a bigger boat without slowing the pace. Thanks to its catamaran-hull, Tender is extremely stable and secure. Under the seat, which is in lengthwise direction, is a lockable space for oars and other accessories.

AS A STANDARD

- Aluminum rowlocks, pair
- Fender list
- Lockable storage compartment
- Oars 6'5 195 - 30 mm drilled
- Rainwater drainage
- Terhi hand bailer

TERHI SUNNY

Length: 310 cm | Width: 147 cm | Weight: 75 kg | Recommended engine power: 4 hp | Max: 5 hp | Passengers: 3 | CE design category: D

Handy and versatile

A lightweight rowing boat, that also runs happily with a small outboard engine. Its handy size and light weight makes Sunny easy to transport for example on the roof of your car or in a davit of a larger boat. Not only is it perfectly suited for fishing, but it also functions well as a seabird-hunter's base.

AS A STANDARD

- Aluminum rowlocks, pair
- Fender list
- Oars 7,5' 225, drilled
- Rainwater drainage
- Terhi hand bailer

TERHI 385

Length: 380 cm | Width: 150 cm | Weight: 98 kg | Recommended engine power: 2-4 hp | Max: 6 hp | Passengers: 4 | CE design category: D

The number one rowing boat!

Finland's most purchased rowing boat complies with the most important needs and requirements of the vacation home or summer house owners. Terhi 385 is a stable and safe boat for the whole family; it is easy to move and effortless to row. It carries itself well, not only with oars, but also with a small outboard engine. Dry lockable storage space under the seat. Available in light grey or verde color (green outer shell and light grey inner shell).

AS A STANDARD

- Fender list
- Lockable storage compartment
- Oars 8' 240, undrilled
- Pair of rowlocks
- Rainwater drainage
- Terhi hand bailer

TERHI 400

Length: 401 cm | Width: 150 cm | Weight: 120 kg | Recommended engine power: 6-10 hp | Max: 15 hp | Passengers: 4 | CE design category: D

Popular all-around boat

An excellent boat for island retreats. Reliable, simple and inexpensive, Terhi 400 travels well with a 6-15 hp outboard engine but is also possible to row, both from front and middle bench. Stability, ease of use, good running performance and durability makes Terhi 400 a safe boat to use. The boat can easily be pulled up on land and it has very good storage facilities. Oars, fuel tank and battery can be stowed and locked. Rope boxes are in both corners in the aft. Available in light grey or verde color (green outer shell and light grey inner shell).

TERHI 400 C

Length: 401 cm | Width: 150 cm | Weight: 130 kg | Recommended engine power: 6-10 hp | Max: 15 hp | Passengers: 4 | CE design category: D

Fun, versatile and user-friendly

A stable and seaworthy boat equipped with a steering console. Terhi 400 C is in her element as a commuter and pastime boat in lake areas and sheltered coastal waters with a load of 1-3 persons. Suitable also for anglers. Customize your very own boat according to your needs using extensive additional equipment. Available in light grey or verde color (green outer shell and light grey inner shell).

TERHI 440

Length: 440 cm | Width: 175 cm | Weight: 150 kg | Recommended engine power: 4-6 hp | Max: 10 hp | Passengers: 4 | CE design category: D

Miraculously spacious

A generously sized rowing boat that can be fitted with an outboard motor. Thanks to the wide hull, Terhi 440 is very stable and the carrying capacity is far more than in most boats of similar size. Commuting from one place to another, the boat carries safely even larger loads to and from the summer house or cottage. When fishing it does not rock, nor roll when the nets are set or when the catch is lifted into the boat. Lockable storage spaces are available in both bow and stern, and the middle bench can be adjusted in length or disconnected and removed if necessary.

AS A STANDARD

TERHI SAIMAN

Length: 478 cm | Width: 148 cm | Weight: 105 kg | Recommended engine power: 2-4 hp | Max: 5 hp | Passengers: 4 | CE design category: D

The classic rowing boat

Terhi's version of the traditional Finnish rowing boat. This open boat moves easily and smoothly, with oars or by engine, but it is much easier to maintain than traditional rowing boats. Saiman's strong sandwich hull of ABS-plastic can withstand hard impacts much better than boats made out of wood or fiberglass. This carefree boat has room for two sets of oars and a small outboard engine. Lockable storage spaces are also available in this model, and Saiman also has a middle-bench that is adjustable.

AS A STANDARD

- _____ Fender list
- _____ Oars 8,5' 255 undrilled
- _____ Pair of rowlocks
- _____ Rainwater drainage
- _____ Terhi hand bailer
- _____ Two lockable storage compartments

TERHI SAIMAN SOLAR

Length: 478 cm | Width: 148 cm | Weight: 105 kg | Recommended engine power: 2-4 hp | Max: 5 hp | Passengers: 4 | CE design category: D

Eco-friendly alternative

Saiman Solar is a renewed edition of Saiman Sunwind - the eco-friendly boat that uses solar energy as energy source. A 50 W solar panel, a battery regulator and battery casing are included as standard - all pre-assembled. You only need to add a battery that suits your needs and an electric outboard of your choice. If you choose an engine with an integrated battery, you do not necessarily even need a separate battery. Saiman Solar is an excellent choice for environmentally conscious boaters and for those who travel on waters where fuel engines are prohibited.

AS A STANDARD

- 12V power outlet
- 50 W solar panel
- Battery box
- Battery regulator
- Fender list
- Oars 8,5' 255 undrilled
- Pair of rowlocks
- Rainwater drainage

TERHI 450 C/CC

Length: 445 cm | Width: 185 cm | Weight: 295/310 kg | Rec. engine power: 20-30/30-40 hp | Max: 40 hp | Passengers: C5/D7 | CE design category: C/D

Versatile leisure boats

Terhi 450 C/CC is a true all-rounder equipped with a practical side console. It is extremely stable and balanced, and is thus especially suited for access and transport boating, as well as for different kind of recreational fishing. The safe, unsinkable construction makes this a good option also for the family's younger skippers. On the new, reinforced stern transom an outboard of up to 40 hp can be mounted, which particularly improves the carrying capacity.

TERHI NORDIC 6020

Length: 462 cm | Width: 187 cm | Weight: 225 kg | Recommended engine power: 10-15 hp | Max: 30 hp | Passengers: 5 | CE design category: C

For fishing and family

Nordic 6020 is a seaworthy and popular all-round boat with extraordinarily good 'work boat' capabilities. The boat has received thanks for its high freeboard and utmost stability, making the boat very secure and safe to use for boaters of all ages. This also makes Nordic 6020 optimal as a commuter's boat. Anglers highly praise Nordic 6020 for its open middle deck area, which makes it safer to move about in the boat while fishing. The boat even has a fish well with drainage, to hold all your catch, as standard.

AS A STANDARD

- _____ Cleats 4 pcs
- _____ Fender list
- _____ Fish well with drainage
- _____ Lockable storage compartments 3 pcs
- _____ Preparedness for navigation lights
- _____ Rainwater drainage
- _____ Swimming ladder
- _____ Terhi hand bailer

TERHI NORDIC 6020 C

Length: 462 cm | Width: 187 cm | Weight: 255 kg | Recommended engine power: 20-30 hp | Max: 30 hp | Passengers: 5 | CE design category: C

The fisherman's friend

The console boat Nordic 6020 C is directly related to the fishermen's favorite boat. As well as its role models, Nordic 6020 C is also very safe and secure on the water regardless of the weather. If more seating is potentially needed, the side storage compartment's lid can be folded over to form a middle bench. Included as standard are, among other things, a bilge pump, high bow rails for easy boarding and wiring for navigational lights.

AS A STANDARD

- 12V power outlet
- Bilge pump
- Cleats 4 pcs
- Fender list
- Fish well with drainage
- Lockable storage compartments 3 pcs
- Pair of bow railings, polished
- Pair of stern railings, polished
- Preparedness for navigation lights
- Rainwater drainage
- Steering console

- Swimming ladder
- Terhi hand bailer
- Windscreen
- Windscreen railing, polished

TERHI 480 BR

Length: 475 cm | Width: 185 cm | Weight: 390 kg | Recommended engine power: 50 hp | Max: 60 hp | Passengers: 5 | CE design category: C

Versatile Bow Rider

480 BR and 480 Sport are dashing almost 5 meters long bow riders. Fresh white colour and classic grey interior combined with timeless design make the 480 a stunning package. In addition to the great looks, the boat has superb driving characteristics. The boat has two padded offshore seats and gauge, switches and possible chart plotter are located within reach. Boat's modern frameless windscreen gives the driver great visibility while driving. Two steering consoles with a steady middle door provide good shelter up to five adults. 480 boat can be purchased in two different models, a sleek Sport model or a Bow Rider with higher windscreen and a possibility for a stern canopy.

AS A STANDARD

- 12V power outlet
- Box for anchor and/or mooring lines in bow and stern
- Canopy garage behind the stern seat
- Cleats
- Cup holders
- Door between the consoles
- Electric, automatic bilge pump
- Fender list
- Fire extinguisher
- Foot rest for driver and co-driver
- High boards and smooth deck, antisliding tapes on the floor
- High freeboard

- Map storage box with lid
- Preparedness for navigation lights
- Rainwater drainage
- Steering console
- Storage compartments and place for a chart plotter
- Swimming ladder
- Telescopic paddle
- Terhi hand bailer
- Triple ABS-shells
- Two separate fully padded comfort seats
- Windscreens

TERHI 480 SPORT

Length: 475 cm | Width: 185 cm | Weight: 390 kg | Recommended engine power: 50 hp | Max: 60 hp | Passengers: 5 | CE design category: C

Sporty multitasker

The Terhi 480 Sport is a sporty retro-vibe novelty equipped with today's technology and driving features. The boat's streamlined low windshield allows for a good visibility in all directions. The durable sandwich construction of the Terhi boats in combination with a 60 hp outboard ensures in addition to the atmosphere, even nice rides.

AS A STANDARD

- 12V power outlet
- Box for anchor and/or mooring lines in bow and stern

Electrified favorite

eTerhi Saiman is a traditional rowing boat equipped with solar panel and electric outboard. eTerhi Saiman is an excellent choice for environmentally conscious boaters and for those who travel on waters where fuel engines are prohibited. The solar panel is placed on center bench of the boat. When more seating is needed, the solar panel can easily be turned under the bench by turning around the entire countertop. In this way, the solar panel is not damaged during the journey. A lockable storage compartment, pair of oars and rowlocks also come with the basic pack.

AS A STANDARD

- 50 W solar panel
- Fender list
- Oars 8,5' 255 undrilled
- Pair of rowlocks
- Rainwater drainage
- Terhi hand bailer
- Two lockable storage compartments
- Voltage regulator
